“SHERIFF GAINES APPOINTS NEW DEP-

It was Brandon Dunn's 16th birthday and one of the surprises that day was when Sheriff Jerry "Peanuts" Gaines and Captain Joe Jakub came to Brandon's birthday party and commissioned him a Warren County Deputy. This was a dream realized for this young man who will be able to drive or even ride in a Corvette because of major medical complications including a steel rod going up his spine, but never the less he was excited to see the Corvette and have all the features explained to him. Brandon wants to be a cowboy and loves country and western music. Welcome to Warren County Kentucky's new-

COUNTRY MUSIC STAR “ERIC HORNER “

The 2001 December DARE graduation turned out to be a real special event. The overflow crowd of over 400 parents and guests at the National Corvette Museum had quite a treat that evening. Mr. Eric Horner, Nashville song writer, band leader, guitarist, and vocalist came up from Nashville, Tennessee just to perform for our DARE graduates. Eric is currently on tour with Mr. Lee (God Bless the USA) Greenwood. In addition Sr. Chief Boring and photojournalist Rankin from the US Navy came up from Nashville to assist the other military personnel from the Air Force and Marines in the posting of colors. They stood at parade rest while Eric Horner sang his newest song "We Will Stand" (proceeds donated to NY victims relief fund) dedicated to the brave men and women of New York City who gave their lives at the 911 world trade center tragedy. The awesome performance brought the crowd to their feet for a lengthy standing ovation. Mr. Horner believes in the mission of the "Prevention Partnership" and is currently in the process of writing a song for our "Reach for your Dreams" program. The "Partnership" will really have to work hard in order to top this graduation. Special Thanks to Eric
